AQA Victoria Ltd is a member based not-for-profit association. Our Mission & Vision are all about improving the quality of life, independence and community participation of people affected by physical disability.

### Spire

**Spire Information & Referral service** responding to requests from people seeking reliable information and support around a diverse range of disability issues, provided by staff who have a first-hand experience of spinal cord injury.

**Spire Peer Support Service** providing highly valued support to people facing life after spinal cord injury. Much of this support is provided via direct contact with patients in rehabilitation hospitals as well as through a network of community based peer volunteers who provide ongoing support as clients re-enter the community and go on to issues associated with their spinal cord injury across the life cycle.

**Spire Community Education**, promoting injury prevention and positive awareness of the capacity of people with spinal cord injury.

**Spire Services** are delivered to members, clients and the community across Victoria and Tasmania.

#### **Services Include:**

- ▶ NewsLink: SPIRE's bi-monthly newsletter that provides information and networking for people with spinal cord injuries.
- ▶ Regional networks.
- ▶ What's Out There Days – (WOT Day).

**This information booklet is intended as a starting point only.** Please call Spire if you have any further queries and if we cannot answer your questions, we will point you in the right direction.
